Dear Mr Inskul

I am pleased to announce the launch of the Australia Awards Mekong-Australia Partnership (AA MAP) scholarship program, which is supporting the next generation of leaders from the Mekong subregion to study on fully funded Masters scholarships in Australia. I encourage colleagues in your organisation, and among your networks to apply. The applications for 2026 intake are open from 1 February to 30 April 2025.

Ten of the prestigious international scholarship awards will be offered to Thai leaders for study commencing in Australia in 2026. Scholarships are offered across the priority areas of MAP including Water Security, Climate Action, Transnational Crime, Economic Resilience and Subregional Integration, and Gender Equality, Disability and Social Inclusion (GEDSI).

The AA MAP is an excellent opportunity for your staff to further enhance their knowledge and skills and to drive positive change to the communities once they are back to Thailand. Applicants can find information on eligibility and how to apply on the information sheet included and can also visit the Australia Awards Mekong-Australia Partnership website.

Through the AA MAP, we continue to advance our commitment under the Australia-Thailand Strategic Partnership, working together to enhance people-to-people links, facilitate governmental exchanges and strengthen economic and social resilience.
